Warranties

I certify that:

- The Contribution is my original work and I have the right to enter into this Agreement and to convey the rights granted herein to the Proprietor.
- The Contribution is submitted for first publication in the Journal and is not being considered for publication elsewhere and has not already been published elsewhere, either in printed or electronic form (unless Contributor has disclosed otherwise in writing to the Editor and approved by Editor).
- I have obtained and enclose all necessary permissions for the reproduction of any copyright works (e.g. quotes, photographs or other visual material, etc.) contained in the Contribution and not owned by me and that I have acknowledged all the source(s).
- The Contribution contains no violation of any existing copyright, other third party rights or any libellous or untrue statements and does not infringe any rights of others.
- Any studies on which the Contribution is directly based were satisfactorily conducted in compliance with the governing Institutional Review Board (IRB) standards or were exempt from IRB requirements.

I agree to indemnify the Proprietor, the Editor of the Journal, SAGE, and all of their affiliates, assigns, and licensees, against any and all losses, liabilities, damages, costs and expenses (including legal costs and expenses) arising from or resulting out of an allegation of my breach or my breach of the above warranties.

Contributors further agree to be bound by the terms of permitted Author re-use set forth herein for the selected Creative Commons license type.

Declaration of Conflicting Interests

I certify that:

1. All forms of financial support, including pharmaceutical company support, are disclosed in writing to the Editor as part of the manuscript submission process for the Contribution.

It is not expected that the details of financial arrangements should be disclosed. Contributor's Responsibilities with Respect to Third Party Materials.

You are responsible for: (i) including full attribution for any materials not original to the Contribution; (ii) securing and submitting with the Contribution written permissions for any third party materials allowing publication in all media and all languages throughout the world for the full legal term of copyright; and (iii) making any payments due for such permissions. Termination

Proprietor, in its sole, absolute discretion, may determine that the Contribution should not be published in the Journal. If the decision is made not to publish the Contribution after accepting it for publication, then all rights in the Contribution granted to Proprietor shall revert to you and this Agreement shall be of no further force and effect. Any payment made by you to Proprietor will be refunded, and neither you nor Proprietor will have any obligation to the other with respect to the Contribution. In the event that payment of the applicable APC is not received by the Proprietor, this Agreement will be terminated.

General Provisions

The validity, interpretation, performance and enforcement of this Agreement shall be governed by the laws of the State of California and subject to the jurisdiction and venue of the courts of the State of California located in Ventura County and of the U.S. District Court for the Central District of California.

In the event a dispute arises out of or relating to this Agreement, the parties agree to first make a good-faith effort to resolve such dispute themselves. Upon failing, the parties shall engage in non-binding mediation with a mediator to be mutually agreed on by the parties. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, which the parties cannot settle themselves or through mediation, shall be settled by arbitration.

This transaction may be conducted by electronic means and the parties authorize that their electronic signatures act as their legal signatures of this Agreement. This Agreement will be considered signed by a party when his/her/its electronic signature is transmitted. Such signature shall be treated in all respects as having the same effect as an original handwritten signature. (You are not required to conduct this transaction by electronic means or use an electronic signature, but if you do so, then you hereby give your authorization pursuant to this paragraph.)

This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior and contemporaneous agreements, understandings and representations. The full terms of the CC BY license may be accessed here: <http://creativecommons.org/licenses/by/4.0/legalcode> and the full terms of the CC BY-NC-ND license may be accessed here: <http://creativecommons.org/licenses/by-nc-nd/4.0/legalcode>. The terms of both licenses are incorporated herein by reference.

No amendment or modification of any provision of this Agreement shall be valid or binding unless made in writing and signed by all parties.

You hereby provide your express consent for Proprietor, its affiliates and licensees (expressly including SAGE, where SAGE is not the Proprietor), and their respective designees to contact you in connection with any business communication or other correspondence. The parties agree that such consent may be withdrawn by you at a later time by providing written notice (including by email) to Proprietor (and/or SAGE if different than Proprietor). This clause shall survive expiration or earlier termination of this Agreement.
